Peek

I am so very very pleased with Peek metal polish - but I can't find anywhere to buy it, can you send me four tubes, if you let me know how much I will send you a cheque.

My Brass has never looked so bright - even the neighbours have remarked on my Letter Box and Knocker.

I can't remember how I got the tube I just found it in the Box of cleaning materials.

My Husband died recently, so he must have got it from somewhere I never cleaned Brass. - and he used to use MARS.

I do hope you will help me.
Yours faithfully P D Clarke (Mrs)

To the Customer Service Manager,

I am writing to ask if you have discontinued your sale of PEEK cleaning material. I did find it to be very effective & efficient, but the shops here in Thame & also Kleez Easy do not have it in stock now.

If it has been discontinued, can you suggest an alternative?

Yours sincerely,

DEAR SIR/MADAM,

MY FATHER IN SCOTLAND HAS SENT ME
A TUB OF "PEEK" METAL POLISH WHICH I FIND
VERY SUPERIOR TO NORMAL BRANDS AND SHOULD
MOST GRATEFUL IF YOU WOULD ADVISE ME AS TO
WHETHER OR NOT YOU HAVE ANY STOCKISTS IN
THAMES VALLEY (MARGATE/RAMS-GATE).

YOURS SINCERELY

Dear Sir/Madam,

I recently attended a ninetieth
birthday celebration, where the much
admired brass and copper, gleaned
in the old farmhouse. The secret, our
hostess said ...! PEEK; NOT BRASSO, too
abrasive! Please let me know how your
metal polish is retailed (I've not been able
to buy any yet in any of the outlets)
