

Peek [★]SPRAY AWAY[®]

Multi-Purpose Foam Cleaner

Suggested Uses!

SPRAY AWAY has been developed as a water based foaming cleaner for interior surfaces. Its foaming action works swiftly, penetrating and loosening all types of contamination.

SPRAY AWAY has been formulated from a blend of alcohols, solvents and surfactants which chemically lower the surface energy of soiling; enabling areas to be wiped clean with considerable ease.

SPRAY AWAY quickly removes general grease and grime from surfaces such as vinyl, leather, plastic, upholstery and carpets

SPRAY AWAY can be used safely on removing stubborn stains from computers, VDU cases, TV sets, keyboards, printers and photocopiers

Use **SPRAY AWAY** for spot treatment of stains on fabrics, upholstery and carpets.

SPRAY AWAY is suitable to use at home, in the office or in any vehicle.

Use **SPRAY AWAY** on anything from wood to plastics, from tiles to glass, from fabrics to leather and beyond!

SPRAY AWAY removes dirt and stains from leather or fabric seats in your car or truck.

For a show quality clean, use **SPRAY AWAY**

How to use

1. Shake aerosol can well before use.
2. Spray from about 25cm (9in) and wait about 30 seconds for the formula to work its magic.
3. Wipe off with a clean damp cloth.
4. For stubborn marks and stains repeat the process above and rub vigorously using a small nail brush.

Available in a 400ml can

Caution: If you are unsure of the item you are going to clean test **SPRAY AWAY[®]** on an inconspicuous area.
